Mr. Abe Manley.
Newark, New Jersey.

Dear Mr. Manley:

Are you in need of two good pitchers? We have played in the league and have plenty of experience. I played with the American Giants and my brother played with Detroit. The past two years we have been playing back west.

For recommendation you can ask Mule Suttles, Willie Hells, Turkey Stearns or Latchel Paige.

I have a car of my own

and can bare my own
transportation if you can
use me. My brother would
like very much to come also.
I can play outfield too.

Please let me hear from
you.

Yours truly
Halter Thomas
